Installation

Installation

CAUTION: To avoid damage to monitors or mount, always keep the arm in a horizontal position while making adjustments. Ask for assistance should you require it..

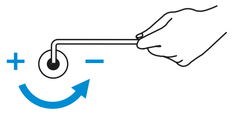

To properly balance the arm with monitors mounted, adjust the srping tensionusing the supplied Allen Key as follows:

First, position and firmly hold the arm horizontally as shown. Again, ask for assistance if required.

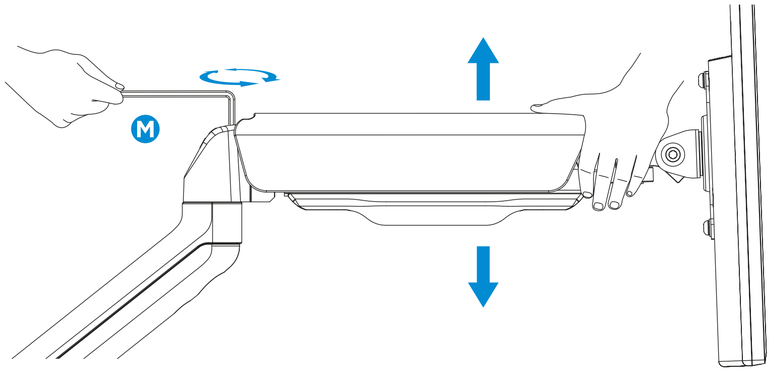

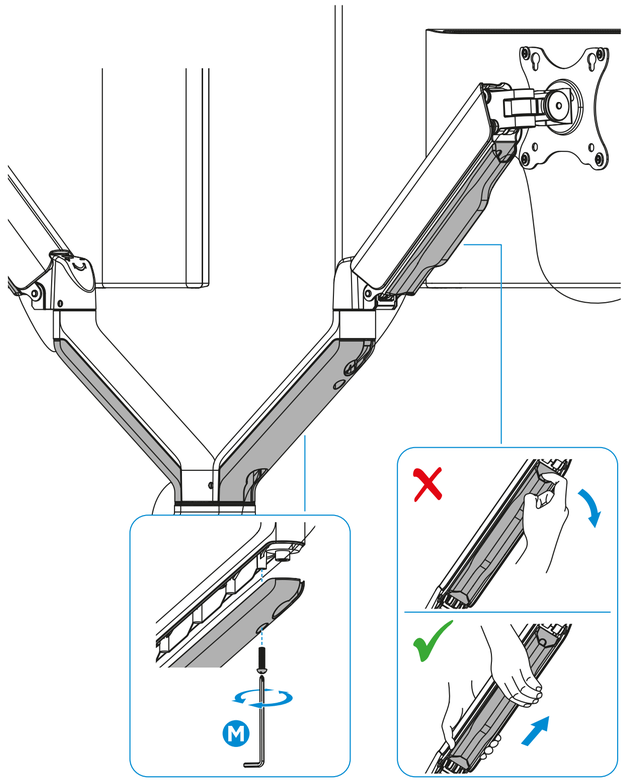

If the arm drops, turn the adjustment screw clockwise until it stays in ahorizontal position.

If the arm rises, turn the adjustment screw counter-clockwise until it stays in a horizontal position.

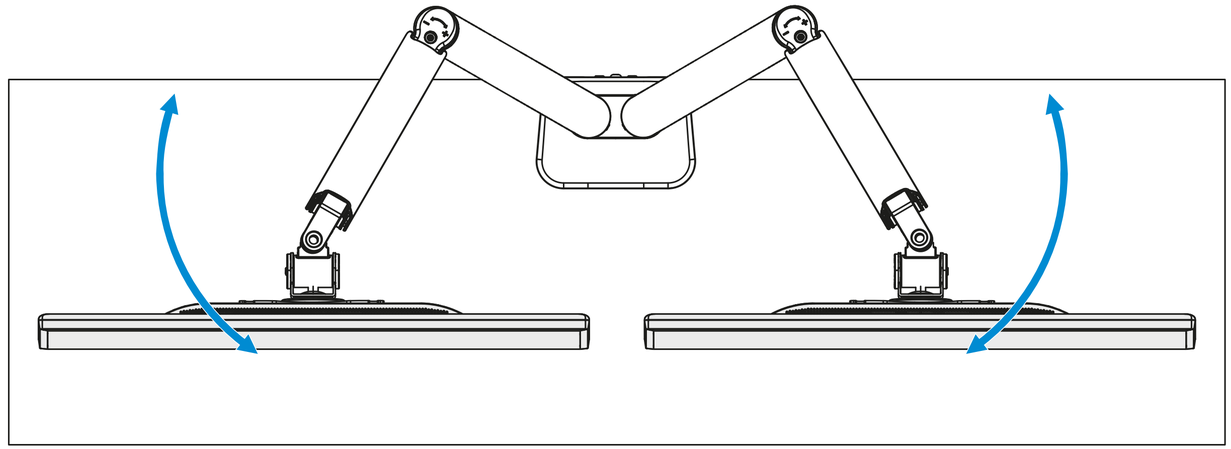

Installation

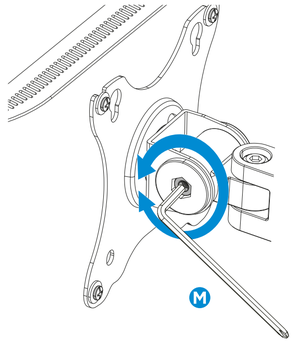

Installation

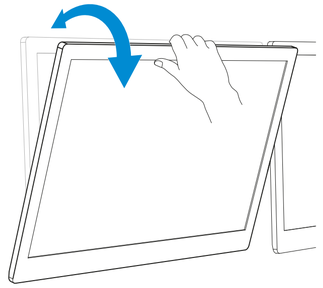

CAUTION: DO NOT rotate monitor past near edge of desk to avoid anunstable situation may cause tipping.

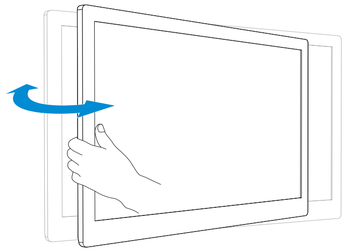

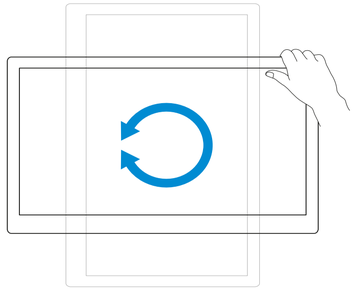

Installation

Note: If the display does not stop at your desired position, tighten the screws as shown.
